## BOOK SYNOPSIS

Pulling off a successful wedding is one thing but fortifying a lifelong relationship is an entirely different endeavor. Relationship experts Jim Burns and Doug Fields invite couples to take a proactive approach to their marriage union—one that doesn't shy away from sticky areas and tough topics—in order to develop a solid course from the very beginning. Jim and Doug apply decades of frontline experience working with couples into this fresh and practical resource. Organized in nine highly relevant sessions, each centered on key biblical and relational touchstones, Burns and Fields equip participants to confront big issues including communication, finances, spirituality, and intimacy—prior to their wedding day. Great as a stand-alone resource or partnered with the Getting Ready for Marriage: A Practical Road Map for Your Journey Together book and companion video package.
