## **BOOK SYNOPSIS**

Autobiography of a Yogi is the autobiography of illumined master Paramhansa Yogananda, a swami yogi of the esoteric Kriya school of yoga. Autobiography of a Yogi was published in 1946, and introduces the reader to the life and experiences of Paramhansa Yogananda: his early childhood, his search for a guru, his spiritual evolution and training, and his establishing of Kriya Yoga teachings in East and West. Autobiography of a Yogi introduces methods of attaining God-realization and to highly advanced spiritual teachings of India, which had only been available to very few in 1946. Autobiography of a Yogi is both an engaging narrative of Yoganandas life, as well as a monumental work of spiritual teaching. It has been in print for over sixty-five years and has been highly acclaimed as a spiritual classic.
